

PURCHASE ORDER ATTACHMENT 'A'

ITEM 1 During your performance on this Purchase Order you are required to meet AS9100 & ISO9001-2015 in your manufacturing, associated processes, products, inspection, and test data. These will all be subject to review, verification, examination, test, and analysis by authorized Government Representatives. Government Source Inspection is not required prior to release of product unless Seanair's purchase order incorporates Government Source Inspection (GSI) at your facility.

ITEM 2 By acceptance of this Purchase Order you are required to notify and seek approval from SEANAIR LLC of changes to processes, products, or services, including changes of your external providers or location of manufacture. You also agree to obtain Seanair's approval for any nonconforming product and make arrangements with Seanair for the disposition of the nonconforming product.

ITEM 3 By acceptance of this Purchase Order you are required to notify and obtain written approval from SEANAIR LLC of any changes in your and your vendors' services & location(s) and product and process definitions.

ITEM 4 By acceptance of this Purchase Order, you are required to grant SEANAIR LLC, our customers and all regulatory authorities, the right of access to your facility and facility of all vendors at any level in your supply chain, for all applicable records associated with this purchase order.

ITEM 5 By acceptance of this Purchase Order, you are required to flow down all of the customer's requirements in your purchasing documents including key characteristics where required to all sub-tier suppliers.

ITEM 6 Counterfeit Parts Prevention

- a) For purposes of this clause, Work consists of those parts delivered under this Purchase Order that are the lowest level of separately identifiable items (e.g., articles, components, goods, and assemblies). "Counterfeit Work" means Work that is or contains items misrepresented as having been designed and/or produced under an approved system or other acceptable method. The term also includes approved Work that has reached a design life limit or has been damaged beyond possible repair but is altered and misrepresented as acceptable.
- b) SELLER agrees and shall ensure that Counterfeit Work is not delivered to SEANAIR LLC.
- c) SELLER shall only purchase products to be delivered or incorporated as Work to SEANAIR LLC directly from the Original Component Manufacturer (OCM)/Original Equipment Manufacturer (OEM), or through an OCM/OEM authorized distributor chain. Work shall not be acquired from independent distributors or brokers unless approved in advance in writing by SEANAIR LLC.
- d) SELLER shall immediately notify SEANAIR LLC with the pertinent facts if SELLER becomes aware or suspects that it has furnished Counterfeit Work. When requested by SEANAIR LLC the SELLER shall provide OCM/OEM documentation that authenticates traceability of the affected items to the applicable OCM/OEM.
- e) This clause applies in addition to any quality provision, specification, statement of work or other provision included in this Purchase Order addressing the authenticity of Work. To the
